STUDIES:	DEGREE:	DATE:	FIELD:
<i>University of California, Berkeley</i>	<i>Ph. D.</i>	<i>Dec. 2007</i>	<i>Agricultural and Resource Economics.</i>
<i>Universidad de Concepción, Chile</i>	<i>M. Sc.</i>	<i>1998</i>	<i>Environmental and Resource Economics.</i>
<i>Universidad de Concepción, Chile</i>	<i>Bachelor</i>	<i>1995</i>	<i>Economics.</i>

GRADUATE STUDIES FIELDS OF CONCENTRATION:

Environmental and Resource Economics, Econometrics and Statistics.

DISSERTATION TITLE:

Discrete\Continuous Choice Models and Consumer Heterogeneity

Principal Advisor: *Professor Michael Hanemann*
Other References: *Professor Jeffrey LaFrance*
Professor Sylvia Brandt

OTHER EDUCATION:

- *Las Palmas de Gran Canaria University, Spain. "Bayesian Statistics Applied to Valuation Methods and Benefit Transfer" November 2007.*
- *Center for Environmental and Resource Economic Policy. North Carolina State University, USA. "Revealed Preferences outside the Market: Micro-Econometrics in Environmental Economics." November 2006.*
- *Department of Economics, University of Gothenburg, Sweden: Graduate course on Welfare Economics. September 2000.*
- *Beijer International Institute of Ecological Economics (Sweden). Environmental Economics Workshop, San José - Costa Rica. Noviembre 1997.*

FELLOWSHIPS AND AWARDS:

- 2007 *Third Place, Pension Reform Papers Competition, "Efficiency Analysis of the Market for Pension Retirement Funds in Mexico: A Demand and Supply Perspective." Comisión Nacional del Sistema de Ahorro para el Retiro. CONSAR, México.*
- 2005 *James Boles Graduate Award, best GPA in cohort. Department of Agricultural and Resource Economics, University of California at Berkeley.*
- 2005-2007 *Organization of American States Fellowship (OAS/OEA).*

- 2002-2005 **Fulbright/LASPAU/MECESUP/MIDEPLAN** Fellowship.
2002-2005 **President of the Republic Fellowship**, Chile.
1995-1997 **Graduate Student Fellowship** for Master Level Studies. Universidad de Concepción-Chile.

PROFESSIONAL EXPERIENCE:

ACADEMIC POSITIONS:

- 2012- Present **Researcher** School of Business and Economics, Universidad del Desarrollo, Chile.
2011-2014 **Researcher** Nucleus in Environmental and Resource Economics, Department of Economics, Universidad de Concepción.
Fall 2008 **Visiting Assistant Researcher**. Department of Agricultural and Resource Economics, University of California, Berkeley.
Spring 2008 **Visiting Assistant Professor**. Department of Agricultural and Resource Economics University of California, Berkeley.
2009-2012 **Assistant Professor**. Department of Economics, Universidad de Concepción, Chile.
2008-2011 **Academic Director**, Master in Environmental Economics and Natural Resources, Universidad de Concepción, Chile.
1998-2002 **Executive Director**, Master in Environmental Economics and Natural Resources, Universidad de Concepción, Chile.
June-July 2005 **Visiting Researcher**, **Ecological and Environmental Economics Center**, Abdus Salam International Centre for Theoretical Physics, Fondazione Eni Enrico Mattei and the Beijer International Institute of Ecological Economics. Trieste, Italia.
Sep.-Oct. 2001 **Visiting Researcher**, Environmental Economics Unit (EEU), Department of Economics, Gothenburg University, Sweden.

ACADEMIC SERVICES:

- Since 2011 **Member of the Scientific Committee for Latin American and Caribbean Environmental Economics Program (LACEEP)**, Costa Rica.
Since 2009 **Conservation Strategy Fund (CSF) Instructor and Research Advisor**.
Since 2007 **Referee for the Latin American and the Caribbean Association of Environmental and Natural Resource Economists (ALEAR)**.

REFEREE:

Journal of Environmental Economics and Management (JEEM, USA), Ecological Economic , Environment and Development Economics (EDE, UE), Journal of Environmental Management (JEMA,USA), Southern Economic Journal(USA), Revista Economía y Administración (Chile), Lecturas de Economía (Colombia), Revista Bosque (Chile), Ciencia e Investigación Agraria (Chile), Fondecyt (Chile), National Science Foundation (NSF, USA), International Development Research Centre (IDRC, Cánada) .

RESEARCH AND ONGOING FUNDED PROJECTS:

- 2012- 2015 ***“Welfare and Economic Evaluation of Climatic Change Impacts on Water Resources at River Basin Scale”***, International Development Research Centre (IDRC).
- 2012- 2012 ***“Towards Universal Health Coverage: The case of Chile”*** World Bank with Guillermo Paraje.
- 2011- 2013 ***“Design of Cost effective Economic incentives for restoration and conservation of Mediterranean Forest”*** Corporación Nacional Forestal (CONAF). *Co-Investigator*.
- 2011-2013 ***“Socioeconomic Inequality in the Access to Dental and Specialized Health Treatment in Chile”*** Fondecyt 1110334. *Co-Investigator*.
- 2012- 2013 ***“Valuing Climate Change Impacts on Human Health in Latin America: The case of water-borne diseases and deaths causes by extreme hydrological events”*** CATIE-IDRC Enhancing the capability of research in environmental economics and climate change adaptation.
- 2011- 2012 ***“Estimating a Predicting Model of Land Prices for Different Agro-ecological Zones in South-Central Chile”*** Corporación Nacional de Desarrollo Indígena (CONADI). *Co-Researcher*.
- 2009-2012 ***“Valuing Air Pollution Impacts on Health: A Comparison of Revealed and Stated Preferences Approaches in Developed and Developing Countries”*** Principal Investigator Fondecyt 11090005
- 2010-2011 ***“Adding Time-Constraint in the Contingent Valuation Method: An Application to Latin-American’s Dryland Forests.”*** Latin American and Caribbean Environmental Economics Program (LACEEP). *Co-Investigator*.
- 2010-2011 ***“Design, Implementation and Evaluation of a Pilot Program of Technology Change of Wood Combustion Stoves in the Communes of Temuco and Padre Las Casas”***, Ministry of Environment. No 1285-20-LE09. *Co-Investigator*.
- 2009-2010 ***“Price Elasticity and the Demand for Wood Combustion Stoves in the Communes of Temuco and Padre Las Casas”***, National Environmental Committee -Araucanía. No 1285-20-LE09. *Co-Investigator*.
- 2008-2009 ***“Measurement of Health Care Inequalities and Inequities in the Americas.”*** Pan American Health Organization. *Principal investigator*.
- 2008-2009 ***“Feasibility Analysis of Replicating Conservation Marine Reserve Areas in Chile”*** National Environmental Committee, Chile. *Principal investigator*.
- 2008-2009 ***Valuing Environmental Services Provided by Marine Protected Areas.*** Fishery Research Fund, FIP-56-2008 Chile. *Principal Investigator*. Chile.
- 2008-2009 ***Review of Higher Education Institutions in Regional Development.*** Organization for Economic Cooperation and Development (OECD) *Co-Investigator*.
- 2008-2009 ***Payment for Hydrological Environmental Services in the PIRAÍ Basin: A Contingent Valuation Approach.*** Consultant for the foundation “Amigos de la Naturaleza”, Bolivia.

- 2008-2012 ***Model Design and Economic Valuation of Recreational Fishing in the Magallanes Region, Chile.*** Innova-CORFO. Consultant for Universidad Austral de Chile, Valdivia.
- 2008- 2009 ***Residential Household Demand for Water and Energy,*** California Climate Change Center, sponsored by the California Energy Commission (Energy Commission) and the California Environmental Protection Agency (Cal/EPA). With Larry Dale, K. Sydney Fujita, Mithra Moezzi, and Michael Hanemann. USA.
- 2007-2009 ***Sharpening Drought Plans by Considering Climate, the Watershed, the Regulatory Environment and the Forces of Change.*** NOAA SARP Grant 06350, Stockholm Environmental Institute-US Center (SEI-US), National Center for Atmospheric Research (NCAR) and University of California, Berkeley (UCB). USA.
- 2007-2008 ***Pension Systems in Mexico, UC MEXUS.*** USA.
- 2007-2008 ***An Econometric Analysis of Carbon Sequestration Costs and Forestation in Colombia.*** Research Division, Universidad Nacional de Colombia, Medellin Colombia.
- 2007-2008 ***Economic and Environmental Impacts of Oil Spills in the Bay of San Vicente, Talcahuano-Chile.*** Chilean Committee for the Environment (CONAMA). Chile.
- 2005-2008 ***Research Assistant, Valuing Reduced Asthma Morbidity in Children, Fresno Asthmatic Children's Environmental Study, funded by US EPA-STAR Valuation of Human Health Program.*** With Michael Hanemann (ARE, Berkeley), and Sylvia Brandt (UMass, Amherst). USA.
- 2004-2005 ***Research Assistant, Embedding Effect in Stated Preferences.*** With Michael Hanemann (ARE, Berkeley).EPA/ USA.
- 2003-2004 ***Research Assistant, Southern California Beach Valuation Project: Using Revealed Preference Models to Estimate the Effect of Coastal Water Quality on Beach Choice in Southern California.*** U.S. Dept. of Commerce, National Oceanic and Atmospheric Administration (NOAA). With Michael Hanemann, Linwood Pendleton, David Layton and Craig Mohn. USA.
- 1999-2000 ***Analysis and Applications of Economic Instruments to Environmental Policy in Chile,*** National Committee for the Environment (CONAMA).
- 1999-2000 ***Social and Economics Evaluation of Environmental Programs and Air Quality Standards,*** National Committee for the Environment (CONAMA).

TEACHING:

Ph. D. Level

Spring 2008 ***Non-market Valuation:*** Department of Agricultural and Resource Economics, University of California at Berkeley.

Master Level

1998-2002 ***Microeconomics:*** College of Business and Economics, Universidad de Concepción, Chile.

1999-2012 ***Non-market Valuation:*** Master of Arts in Economics, joint program of Universidad Alberto Hurtado\Ilades- Georgetown University (Santiago- Chile) and College of Business and Economics, Universidad de Concepción, Chile.

Undergraduate level

2007-2008 ***Microeconomics:*** College of Business and Economics, Universidad de Concepción, Chile.

- 2007-2011 **Research Seminar** for advance undergraduate students, College of Business and Economics, Universidad de Concepción, Chile.
- 1997-2012 **Non-market Valuation, Econometrics, Microeconomics, and Labor Economics:** At several universities in Chile.
- 2012 **Consumer Behavior Analysis**, School of Business and Economics, Universidad del Desarrollo, Chile.

Other short courses

- June 2012 **Design and implementation of Program for Environmental Services (PES): Environmental services and their economic valuation.** Organization of American States (AOS), Rural Sustainable Development Program (PDRS) from the German Cooperation (GIZ) and Peruvian Ministry of Environment (MINAM). Tarapoto, San Martín, Perú.
- February 2011 **1st Regional Central American Course In Environmental and Resource Economics**, Latin American and Caribbean Environmental Economics Program - LACEEP, February 21st to March 3rd. Guatemala City.
- June 2010 **Economics Tools for Conservation: Module of nonmarket valuation.** Conservation Strategy Fund, CSF. Ecuador.
- April 2009 **Economics Tools for Conservation: Module of nonmarket valuation.** Conservation Strategy Fund, CSF. Perú.
